1140

2600+ Series

2800 Series

With OKI Data Americas announcing end-of-life for OKI-branded hardware in March 2021 your customers need a proven manufacturer that is here to stay with every day workhorse solutions.

DASCOM has more than 30 years experience in printing, does business in over 100 countries across the globe and traces its heritage to Tally® and TallyGenicom® dot matrix printing.

Offering a wide variety of heavy-duty, mid-range, and value-priced forms printing solutions, DASCOM has the emulations, connectivity, functionality, and experience to help your customers print mission critical forms without missing a beat.

Here yesterday, today, and tomorrow, we're DASCOM.

HERE TO STAY.
